The screenshot shows a file sharing interface. On the left, there is a blue folder icon with a cloud inside, representing the file. Below it, a rating of 6.4 is shown with five stars and the text '2865 VIEWS'. A blue 'Download' button with a download icon is visible. To the right of the folder icon, the text reads: 'File was found and ready to download!', 'UPDATED 14 HOURS AGO', 'Fastest Source: useenet.nl', and 'Click the download button and select one of the found cloud sources.' Below the download button, there is a 'SECURE SCANNED' indicator. At the bottom of the interface, there is a message: 'You need to log in before you can post comments.' Below this message, there are three icons with labels: 'Navigation' (a hamburger menu icon), 'Registration' (an icon of two people), and 'FAQ' (a circular refresh icon).
