But i need 81 or 081 or 018 on the title or alternatively any other solution to get it shown on the title. A: The solution is to use custom page templates. I was able to fix this by using the following custom page template that would appear at the start of a section, and when the section ended. `{{!-- END SECTION, ADD TOP NAV, ADD LEFT BANNER -- }} {{!-- BEGIN SECTION -- }} {{ - custom section template - }} {{.Title }} {{ -.ParentPage | printf "%s ".Title |.Params.Title - }} {{ - custom top nav template - }} Toggle navigation {{.Params.Title | printf "%s " | safeHTML }}`
