The first days of school : how to be an effective teacher by Harry K Wong is a highly recommended alternative in cases where students are difficult to teach. The first days of school : how to be an effective teacher : Harry K. Wong. In the First Days of School, Harry K. Wong, a veteran teacher, answers the question he hears most frequently from new teachers: "How do I teach?" He provides information and resources for any teacher on the first day of school, on the first day of teaching in a whole-class setting, or on the first day of individual instruction. He also shares the lessons he has learned, and he applies the concepts of his years of experience as a teacher to the tasks of the first days. I should start by saying that it has been a pleasure working with you. It was the best experience I've ever had in learning about teaching. I found you to be both very knowledgeable and patient. You are clearly a teacher. I found you to be willing to sacrifice your own comfort to teach me something you know.
