August 8, 2563 BC “ Incheon International Airport (RKSI) .[FSX/P3D/XP]: .Korea AIS(AIP -> AD). On this day, a special flight number 612 took off from Incheon International Airport, which was supposed to deliver a group of Korean officers to Korea. They flew to Japan to participate in the war against Japan. Three days later, a difficult war with Japan awaited them, after three days, they were supposed to meet with their allies, who would come to their aid to defeat the Japanese troops. It was on this day that important events were to take place in Korea...
... in the sky over North Korea. fffad4f19a
