The building was built in 1946, and is one of several similar light industrial lots on the east side of Southeast 19th Street. This particular lot, which is .59 acres, is currently empty. The City of West Linn filed a Notice of Intent in May 2015, and the post-rehabilitation improvements may be taxable under the Oregon Uniform Building Code, with a value of \$352,000. In February 2017, plans for the redevelopment of the property were released by the developer, Goodman Allen, LLC. The new building will be and include 7,000 square feet of commercial office space, 3,000 square feet of retail space, and 2,000 square feet of residential. An outdoor patio will also be included.
