What else could make me have such a terrible night? I hardly remember that after I woke up, different people came to me. One of them was a doctor? he asked me what happened to me. And I replied that I was robbed. He began to ask about something, but I could not make out a word, because I was choking with a cough. The doctor said I had a fever and left me some pills. Another person brought me tea, but I refused the pills. Then I fell asleep. ...The next morning, I got up as usual and went to the garden.
